Be Part of Something Special and Support Washington-Area Fisher Houses

The Salute The Troops NoClu! Golf Classic is the premier golf event in the metro Washington, DC area dedicated to honoring our Wounded Warriors, Veterans, active-duty military, and providing support for the Fisher House. More than 180 golfers have played in the event during its first two years including more than 50 veterans and active duty military. We have been able to donate nearly \$5,000 to the Fisher House in our first two years. This year our goal is **\$10,000** but we need your help.

Please join us, our veterans, our troops in uniform, our wounded warriors, and the other great Americans who play in this event and support our efforts. This is one event in which you are sure to want to be associated. Register at www.noclugolf.com.

This event provides a contribution to the Fisher House which supports America's military in their time of need by providing "a home away from home" that enables family members to be close to a loved one at the most stressful time -- during hospitalization for an illness, disease or injury. Please learn more about their great work at www.fisherhouse.org.
