*"The NoClu! Golf Classic goes on my calendar as a "must play" ever year. Extremely well organized and managed. The course and staff at Lake Presidential was magnificent. It was great meeting a true American hero in Sgt. John Moore. I'm not sure how you can top this one but I'm sure you will find a way." Mike Patrick, ESPN*

*"All that I could say throughout the day was AWESOME. From the instant I pulled into the parking lot through the drive out in the evening, I was totally amazed at the day's events. I could not think of a better way to support our troops during their times of need. I made a pledge to myself to play in every tournament that the NoClu guys put together in support of our troops or Fisher House. The experience was unbelievable and it will remain a cherished memory for the rest of my life." Rich Stone (U.S. Navy, Retired)*

*"Outstanding event anyway you look at it. A perfect day for a great cause." Rich Daniel*
